Dear Friend or Relative:

I am interested in gathering the history of my family_____.

My earliest three generations are given above. I am trying to find the parents of any of the above ancestors; also any additional information concerning them.

I need your help for information on your branch of the family. It may be that your family connects with mine. Please write the information that concerns your family on the reverse side of this sheet and return to me as soon as is convenient.

If you know other persons who may be able to assist in this search, I will appreciate having their names and addresses (write them at the side).

If you are interested in the history or records of these families, I would be glad to share with you what I already have.

Thank you for your help and co-operation.

Sincerely,

I go to the office today, too cold.

I wonder about Karl, if he ever
got his family back, let me

In a letter from J. E. Stinson to Mary Stinson Newton, 2-5-31, he wrote in part, "The Stinsons were originally residents of the Shenandoah Valley of Virginia, the father of us all dying there after the Revolution. His widow, with one daughter and two sons, left Virginia and settled on the Pee Dee River in North Carolina. From them all other Stinsons south and west descended. There are many of the name in North and South Carolina, Georgia, and all states west from North Virginia and south. I have met many of these, and all more or less alike, whether poor or in affluence. There are Stinsons everywhere. We have Stinsons in this County, hated Republicans, whom I am proud to say bear no mark of being even the remotest kin to us. The Stinsons of Talbot Co., Ga., were 3rd and 4th cousins to you and I." At the time he wrote this, "Uncle Gene" was over 80 years of age, and still practicing medicine.

The first Stinson of this line of which there is specific connecting record is Micajah B. (?) Stinson. Mrs. Mamie Newton, above mentioned, wrote that her grandfather's mother was a Baker, but this connection was evidently further back, as the "Abstracts of Wills of Edgecombe Co., N.C.", p. 9, shows that Moses Baker's Will, dated 1 Dec. 1781, probated in Nov. Court 1786, Book C., p. 28, read, "My 7 eldest children having already had their full portion of my estate I leave 5 S. to each of the following: Grandson Moses, eldest son of my eldest son, Michael; Son: Joshua; Daughters: Ann, wife of Ralph Vickers, and Mary, widow of Micajah Stinson."

In two separate letters, Miss Sue Stinson of Jonesboro, La., mentioned "Micajah B. Stinson, in the Shenandoah Valley of Virginia", and in line with this and Dr. J.E. Stinson's letter, Mary Baker was probably the wife of this earliest Micajah. However, it is possible that she was the wife of the second Micajah listed above, if the other statements are in any way in error.

From the above, it would appear likely that Mary (Baker) Stinson should be found in the records of Anson Co., N.C., on the Pee Dee River, where the Stinsons moved to. The 1790 Census of Anson Co., N.C., shows

p. 35 Mary Stinson 1 male over 16, 1 m u 16, 4 females
p. 36 " " " " " " " " 2 " " " " " "

In view of the erratic censuses of the period, this is probably a duplication, with an error.

Other records of Anson Co., N.C. show that a Micajah Stinson witnessed deeds there in 1771, 1776, & 1777, and signed a petition to separate counties in 1779. He must have been born before 1750 in order to sign legal documents. There was an Elizabeth who witnessed a will in 1818, who was probably some relation. It appears that this Micajah must have come to N.C. by 1771, possibly ahead of his mother and the rest of the family.

Noting the Talbot Co., Ga. connection mentioned above, I wrote to Talbot Co., and eventually made contact with a Mr. Howard Stinson, who was descended from a John Stinson who was the original Stinson settler there. "Abstracts of Wills", Talbot Co., DAR Vol. 22B shows the will of this John Stinson, in which he speaks of his wife, Earmin, "her" children, including a John Baker, and "his" sons and "his" daughter. Also, his negroes were listed, including a "Mecajah" and a "Nancy". This will was in 1853, and from it, it would appear that he was probably a son of one of the early Micajahs.

Another possible connection is with Archibald Baker Stinson, Sr., who was born in Va. 13 July 1773. He was probably the son of Alexander Stinson, Sr., who was probably the son of Micajah Stinson and Mary Baker Stinson.

The next Micajah Stinson was born 13 May 1779, and died 7 Aug. 1848. He married 1st Nancy _____, who was born 24 May 1784 and died 21 June 1827. These dates came from the family records of Mrs. Bettie Ferrin and Mrs. Allie Lines of Pima, Arizona. Normally, in the Alabama records, he is referred to as just Micajah, but in at least one instance, he was referred to as "Micajah B." (He had a son, "Micajah Baker".)

Micajah B. (?) Stinson was married a second time, to a Malinda Pugh, born about 1797 in S.C., the daughter of Jesse Pugh, who was probably a brother of Emeline Bobo Pugh, who married Simon Lewis Stinson.

By his first wife, Micajah B. (?) Stinson had the following children:

"Polly" (Mary), b. Ala., married Elias Presley.

Simon Lewis, b. abt. 1804 in Ga. married 15 Feb. 1821, probably in Conecuh Co., Ala., to Emeline Bobo Pugh, who was born in 1808. He died after 1851 in Pike or Macon Co., Ala.

Jordan B., b. Ala.

John Lafayette, b. abt. 1810 in Ga., married Martha, who was b. in S.C. about 1811. He died about 1864, Pike Co., Ala.

Jason, b. 9 May 1812, Pike Co., Ala., married Elizabeth _____, who married 2nd. Wm. F. Massey. Jason died before 1844 in Pike Co., Ala.

Joseph Terrell, b. 10 May 1823, in Pike Co., Ala. He mar. Hannah Patience Moore in Pike Co. Ala. on 9 Oct. or Nov., 1845. He died 18 Dec. 1864.

Micajah Baker, b. 5 April 1816, Pike Co., Ala., married Sarah J. Moore in Pike Co. 18 Feb. 1841. She was b. in S.C. in about 1820.

Elias D., b. abt. 1820, on 18 Feb. 1841 married Mary M. Dyre, who was b. in S.C. abt. 1822.

Pike Co. Inventory Book A shows that the goods of the estate of Robert Pugh, sold 14 Feb. 1832 went partly to Mrs. Malinda Pugh, Alfred Pugh, and Ann Pugh. If this is the same Malinda Pugh who was the second wife of Micajah Stinson, then she must have been a widow, possibly of Robert Pugh, and not the daughter, but the daughter-in-law, and must have married Micajah shortly afterwards. In this case, her maiden name is not known.

By his second wife, Malinda, Micajah Stinson had the following children:

William J. (or I.), b. about 1833 in Ala.

Joshua L, b. about 1835 in Ala.

Jasper N., b. about 1839 in Ala.

Records in the Alabama Archives indicate that Micajah was a Justice of the Peace in Conecuh Co. on 18 May, 1819.

The Conecuh Co., Alabama Territory Tax List of 1818 listed Micajah Stinson as follows:

"No sales of mds., 1 person voting, no free persons of color, 5 slaves, 2 wheeled pleasure carriages."

The Alabama Census of 1820 showed Micajah Stinson in Conecuh Co. It should be noted that Alabama was opened up for settlement about 1818, and therefore Micajah was a pioneer.

Land for Micajah Stinson and his son Simon Stinson was taken out in Barbour Co., Ala., according to the Tract Books of Alabama, as 13-25-11, 1835, and 14-13-22.

According to the Alabama Military Records in the State Archives, during the Indian War of 1836, Micajah was a member of a Town Meeting in the northwest part of Barbour County, 12 May 1836.

Pike, Barbour, Macon, and Bullock Counties adjoin, and were involved in several boundary changes. The various mentions of these counties do not indicate that the Stinsons actually moved about, but they could have.

The first mention of the death of Micajah Stinson was in the Pike Co. records 7 Oct. 1848; therefore, it is obvious that he died before this time.

The final settlement of the estate of Micajah Stinson is recorded in Pike Co., Ala. Orphan's Court Book D, 7 April 1851. Administrators were Jordan B. and Simon Stinson, and grants:
To Elias Presley, in right of his wife, Polly.
To Simon, Jordan B., John, and Joseph T. Stinson.
To heirs of Jason Stinson: Sarah, Martha, Micajah B., Elias D. Stinson.
To Jordan B. Stinson, guardian of William I. and Joshua L. Stinson, minors.
To Elias D. Stinson, guardian of Jasper N. Stinson, minor.

Micajah Stinson was in Clarke Co., Ga. in 1803.

Simon Lewis Stinson, farmer, a son of Micajah Stinson, was born about 1804 in Ga., most probably Clarke Co. He lived near Union Springs, in Bullock Co., which was earlier a part of Pike Co. My wife (Barbara Doggett Skinner, a great-great-granddaughter of his) and I visited the old Stinson place there in 1948, but the old original house was gone. Tradition of the family tells that at one time he bought or was given land in Stephen F. Austin's colony in Ellis Co., Texas, on the Brazos River in about 1835. No indication of this was located in a search in the land office in Austin, Texas, however. Simon served first in Calloway's Independent Cavalry, Home Guard, in which he enlisted in Union Springs, 16 Aug. 1863. He also served in Howard Peebles' Co., Macon Co. Reserves, Home Guard, in which he enlisted as a private 15 Sept. 1864. These records are found in the Ala. Archives Military Records. Simon's wife was Emeline Bobo Fugh, whom he married 15 Feb. 1821, probably in Conecuh Co., Ala. Tradition relates that their fathers were long time friends, and that one was a miller and one was a millwright, probably in Conecuh Co.

Micajah Lewis Stinson, called "Dick", a son of Simon Lewis Stinson, was born 4 May 1838, in Macon (Now Bullock) Co., Ala. According to Clarice Stinson Doggett, a granddaughter, he had a typically Irish appearance, was over six feet tall, had a goatee, and was bald except for a rim of hair. By vocation, he was a surveyor, blacksmith, and somewhat of an inventor. According to the Union Springs Times, May 28, 1888, "Mr. M. L. Stinson, in the spring of 1868, invented a double plow which would plow two furrows at one time, thus doing double work.

He claimed that it would do better work than the old style single plow, and that one mule could pull it." According to the Bullock Co., Ala., Census of 1870, p. 2, Schedule 4, Products of Industry, he ran a wood and blacksmith shop, hand powered, with one drill machine. Capital value was \$1500, and he employed four men..

The children of Simon Lewis Stinson and Emeline Bobo (Pugh) Stinson were:

Simon Alonzo, b. abt. 1840, killed 5 May 1864, a Confederate Soldier at the Battle of the Wilderness.

Micajah Lewis, b. 4 May 1838, d. 19 Nov. 1905. Confederate Soldier, wounded at Gettysburg and Harper's Ferry.

Thomas, b. about 1843, Confederate Soldier, killed at the Battle of Seven Pines or Fair Oaks.

John Eugene, b. about 1848, a Doctor, moved to Ark.

Maria "Parkie", was b. about 1832, married John Raborn. They lived and died in Alabama.

Caroline, married Bill Blackmon & moved to Texas before the Civil War.

Elisabeth, married Tom Jones, moved to Texas

Horace Travis, died in infancy.

Henry.

Micajah Lewis Stinson is carried on the records of the War Dept., Adjutant General's Office, as follows: Private, Co. D, 3rd Regt. Ala. Inf., Confederate States Army, enlisted 26 April 1861 at Union Springs, Ala. The company muster roll for 31 Aug. to 31 Oct. 1864, last on file, shows him absent "wounded in action 4 July 1864, furloughed." Destination is shown as Union Springs, Macon Co., Ala. No later record is found. The Ala. Military Records at the Archives show: Stinson, M. L., Rank; Pvt., date enlisted, 1861. Command: "Southern Rifles", Co. D, 3rd Ala. Inf. Regt., Capt. Richard H. Powell, commanding. Army of Northern Virginia. Wounded, Gettysburg, 3 July 1863, and Harper's Ferry, 4 July 1864. Captured at Gettysburg, 3 July 1863. Authority: Compiled roll by M. L. Stinson, published in the Union Springs Herald, Sept. 1905, from a letter dated 30 Aug. 1905, from Morrell, Ark. According to members of the family, he was shot through the hips at Gettysburg, and in the heel at Harper's Ferry.

J. E. Stinson wrote to Mary Stinson 30 Jan. 1931, "My brother Tom was killed at Seven Pines. The Yankees call it Fair Oaks. Lon was killed at the Wilderness. Your father (Micajah L. Stinson) was wounded at Gettysburg and at Harper's Ferry--the family tree is too much trouble for an old man", and on 5 Feb. 1931, "Tom was a substitute for your father, but was in service only a short time, having been killed in the first large battle before Richmond, known to the Yankees as Fair Oaks, and to the South as Seven Pines. He had been gone such a short time that we scarce realized his loss, for he left many things to remind us of our lost brother. You remember, Lon was captured trying to find Tom's body."

Micajah Lewis Stinson married Eliza Turquand Bickley 27 April 1858, at Aberfoil, Ala., at the home of her uncle, Thomas L. McGowan. The minister was M. W. Eley. He served as Justice of the Peace of Bullock Co., Ala., commissioned 22 Oct. 1877. In 1879, he moved to Arkansas and raised a crop on Bayou Bartholomew, near Morrell and Collins, Ark., and his family joined him there in 1881. He died there 19 Nov. 1905.

The children of Micajah Lewis Stinson and Eliza Turquand (Bickley) Stinson were:

Lizzie, b. 1 Sept. 1884 near Troy, Ark. Died 12 Sept. 1884.

John Meighan Stinson, a son of Micajah Lewis Stinson, was born 30 Mar. 1861, near Union Springs, Ala. He moved from there at the age of 17 or 18 with his father, to Ark. Later he went to the Indian Territory, where he studied medicine with his uncle, Eugene Stinson. Later he spent 2 or 3 years around Bowie, Texas, and then moved to San Marcos, Texas, between 1880 and 1885. He went to work on a cattle ranch near there, near Driftwood, where he met his future wife. Later, he operated a cotton mill with his brother on the San Marcos River, about 1890. He moved to Coryell, or Hamilton Co., where he stayed until 1905, then moved to Evant, Texas. He farmed until World War I, during

which time he worked for the government, concerned with railroad investigations, south of San Antonio, Texas. He and his wife, Beulah Amelia Jacks, were married 25 July 1886, at San Marcos, Texas. They separated in 1913.

John Meighan Stinson was named after John Meighan, who with Gouveigneur M. Thompson, husband of a great aunt who raised his mother, were partners in a large wholesale shoe store in Columbia, S.C. He died 25 Jan. 1934 at Marlin, Tex.

Children of John Meighan and Beulah Amelia (Jacks) Stinson are:

Lillian, b. 17 July 1887, married Arch T. Sneed, Evant, Texas, 25 Nov. 1906.

of Buck Tyson. He was drowned in the Gila River at Virden, New Mexico. His body was found at York, Arizona.

Buck's father, Marion M. Smith, Sr., was from Parker County, Texas. His brother, Marion M. Smith, Jr. (Bud), was an under-sheriff at Clinton, Arizona for years. His wife's name was Mallie Jane Thomas.—Mrs. Elmer Thompson, 8250 East Shiloh, Tucson, Arizona 85710

May

Would like to contact Floyd Allen May if still living, or any of his children. He is believed to be living in Seattle, Washington, but was last seen in Shunk, Pennsylvania in 1908 or 1909. He is a lumberman and ran his own lumber company (the May Lumber Company) around Seattle in 1909.—Merton Darwin May, 314 Court Street, Williamsport, Pennsylvania 17701

Gemmill

Would appreciate information on Charles Gemmill, who went West from Newcastle County, Delaware during the 1840s or 1850s. No further information available from eastern sources.—M. G. Ellingsworth, Glenwood, Maryland 21738

Carson

Eliza Jane Carson, born November 26, 1820 in Highland County, Ohio, married George Washington Clevenger there in 1840. She is said to be a first cousin of Kit Carson. Can anyone help me prove this? Eliza and George moved to Iowa in 1847 and she died in Truro, Iowa, June 23, 1920. All letters will be gratefully acknowledged from anyone with a Carson family.—Mrs. G. A. Lehse, 1336-7th Avenue South, Fargo, North Dakota 58102

Thompson-Moore

Seeking descendants of Levi and Samuel Thompson, born around 1800 in Antrim, New Hampshire, sons of Sir Alexander Thompson. Apparently they went west in the 1820s.

Also descendants of Josiah Moore and wife Anna Gibson Moore, who settled in Minnesota circa 1880; and descendants of Robert Gibson, born in Scotland in 1725.—Curtis L. Gibson, c/o A-1, 176 Lexington Avenue, New York, New York 10016

Marquis

I would like any information on Jacques Marquis and his wife, Mary, who settled in Virginia before the Revolutionary War. Through their sons, Dr. James Marquis and William Kidd Marquis, this family gave many ministers and medical doctors to the frontier in Ohio, Indiana, and western Missouri, as well as two well-known western writers, Marquis James who won the Pulitzer prize twice, and Dr. Thomas B. Marquis who wrote of the Sioux and Custer.—Marquis McDonald 1710 East 5th Avenue, Olympia, Washington 98501

Seckinger-Cochran-Bynum-Hostetter- Joseph C. Smith-Covey

I am interested in learning what the early beginnings of these families were

here in America and where they originally came from: Seckinger; Cochran; Bynum; Hostetter; Joseph C. Smith, whose younger twin brothers lived and died about twenty years ago in Shawnee, Oklahoma, being nearly a hundred years old. I need to contact descendants of John Seckinger, son of William Rufus Seckinger, who was born in Georgia in 1848, whose mother was Lavina Cochran, and his sister, Emma. The last I heard of Leonard Seckinger, son of John and Georgia (Roberts) Seckinger, was about the end of World War II when he and the three sons of Frank, William Roosevelt, Franklin, Wesley and Clyde Allen, served in the Armed Forces. John, Frank, Rufus and William, are the sons of William Rufus Seckinger. The two older ones are dead as are two of their sisters, Etta and Anna. Beulah and Dovie are still living.

I would also like to know something of the Covey family that Squire Britain Covey came from. He had a son, Walter Britain. One of his wives died and was buried at San Antonio, Texas. He probably died at Houston where a daughter and her husband, Nellie and Guy Cooper, lived. Mr. Cooper worked for the Rice Institute. Squire Britain Covey had children living in Oklahoma near Mead in 1928.—Flossie Seckinger Bayne, P.O. Box 352, Orange Cove, California 93646

Seeks "I" Troop Information

I am a former U. S. 12th Cavalry officer and have not heard from anyone who served with me since I resigned at the end of World War I. I would like to hear from any enlisted man or officer. I was stationed with "I" troop at Hachita, New Mexico. My orderly at that time was Private Tom Pace.

I was about to receive my captain's bars when I resigned. I was originally from Philadelphia and had a few years in the mounted police there. I shall appreciate hearing from anyone with whom I served. I am now living alone in Apple Valley, California.—Jack Bischoff, 24524 Yucca Loma Road, Apple Valley, California 92307

Dixon [Dixon]-Fowler

I would like information about the following people. Benjamin F. Dixon [Dixon], was born February 2, 1862, Fountain County, Indiana, died August 2, 1933. He married Mary Groves E. Coonse, born 1886 in Fountain County, Indiana and died August 6, 1936. They had several children—the only ones I know of were Mary Louise, Joseph, Margaret Marie, and Benjamin A. There was another baby girl who was given up for adoption.

Would also like information on field Scott Fowler of either Wayne or Crawfordville, Indiana. He was a veterinarian in one of these towns in the late 1800s to the early 1900s. He married Elva Rusk and they had several children—Russell Lowell Fowler, March 24, 1898, Dale, Chester, Ellica. Dale was last heard of in Haute, Indiana and Ellica in Boston, Massachusetts.—Norma M. Jones, R. R. #2, Box 473, Roseburg, Oregon 97470

Stinson

I need information on my grandfather, John B. Stinson, born May 27, 1835, Tennessee. He married in Evansville, Indiana in 1857, then in Clarksville, Tennessee in 1873. His obituary says he was a hunter and fisherman, and knew the area around Red River better than anyone. He had several brothers and sisters in Paris, Texas. I have been trying to find anyone knowing of or about these family members. There was a Joe Stinson, married Lucy... (?). Did they have children? Another named Floyd. Alice married a Webb, and had a son, Roy. Would like to locate him. Mattie Belle married Robert Mitchell Grant. Somehow the Highburger name is linked to the Stinsons. It is believed that one of the sons, girls married a Highburger.

My great-grandfather, C. F. Greiner was mayor of Clarksville, Texas in the same time that his brother was mayor of Paris, Texas, according to a newspaper clipping. There were Greiner relatives who visited there before 1900 who were glassblowers. I would like to find out something about these glassblowers and the relation was. A son of C. F. Greiner was city marshal of Clarksville. Greiner was a saddlemaker; Otto Greiner ran the first and last horse-drawn carriage in Paris. Would like information of these.

Alexander Brown Claunch was a skinner who lived in Johnson County, Texas. He was born in Titus County, Texas, as Gray Rock Community, in 1859. His parents were Andrew Jackson Claunch and Mary Ann (Frost) Claunch. They were from Alabama and settled on Clauch Creek in 1872. Would like information on the families of these early settlers.—Mrs. J. E. Claunch, Clovis Court, Watauga, Texas 76782

Miner

I am looking for any information at all
concerning any of the following people.

Henry Miner, born in 1842 in Ohio (?);
fought in the Civil War. He lived in Kan-

ried Mary or Miriam Tucker who may
have been part Indian. They had three
children born in Kansas (?): Frank, Lee
Henry, and Jennie. Another son, Ed, was
taken in by friends who went to Cali-
fornia. Henry Miner later remarried a
widow Cowels.

The daughter, Jennie, was married to
a U. S. Marshal, Sam Ferris. Lee Henry
married Nora Belle Reed, daughter of Joe
Reed.—Marty E. Miner, Route 1, Box 119,

Cook-Barnett

I am seeking relatives of the Cook-
Barnett family. When last heard of they
lived on a farm near Weatherford, Texas.
My Great-grandfather Cook came from
Alabama and married a Barnett (Barn-
nett) girl. They were killed and are be-
lieved buried near Tyler, Texas. Their
four small children, Billy, Samuel, Ma-
mie and Flora, were sent to live with an
uncle by the name of Barnett.

In 1896 an Arnold family came through
the country on their way to the Texas
Panhandle to settle new land. They went
to the Barnett farm south of Weather-
ford to buy an extra horse. There, Samuel
met Elizabeth Arnold. They were married
at Childress, Texas in 1896 and my
father, George W. Cook, was born in
September 1897. He remembers going
back to visit the Barnett family and that
the family was large with boys and girls
much older than himself. Any infor-
mation will be appreciated.—G. W. Cook

Dear Jean:

Received your letter and all the nice information today . I wrote yesterday but thought I'd answer right back so you could just answer both letters together the next time and send you money back I wouldn't dare charge you for any zerox copies after all you have sent me. I started to ask you about paying for the Barbour Co. papers you zeroxed for me but figured you would probably say the same thing.

I intended to go shopping and also get a ribbon for this typewriter today but I never did get out of the shop. I started writing this but it was so messy, decided to type.

It looks like you have really been sticking with certain area's until you get all you can find. That sounds like a good idea but I have jumped from one place to another & probably won't ever know what I have checked & what not checked. The other day I checked 1880 Trousdale Co., Tenn & I had already checked it. I was disgusted with myself.

That was very nice of you to say such nice things about our Library & Archives. They have quiet a bit if I could only go often enough to remember what I'm doing. You mentioned Dickerson & etc. I just checked and the Goodspeed index has some Dickersons I haven't sent them, have I? Do you need them? I did not notice what counties.

I just checked and I do not have the address of Tol Weaver Stinson Jr. He lives in Gulfport, Miss. One of his brothers wrote when their mother died and he is Charles Lee Stinson, Route 4 Columbus, Miss. 39701. Then his other brother is Edwin Smith Stinson P. O. Box 411 Verona, Miss. 38879. His wife Flora and I have corresponded several years but she hasn't answered my last letter. I was late in answering it. Also the two letters before that didn't sound right. Next to the last one her husband was in the hospital and the next one didn't sound like her at all. She was talking about sitting and rocking and singing all the songs she used to when young and on the way to church etc.

Don't remember you mentioning the name Black before but you had mentioned Barnett I think. You said your sister-in-law said Preston's name was Barnett after his father. Did she know all of his father's name or just that part?

I'll try to not forget and get Col Skinners work copied tomorrow. I have a copy he sent me and also one that Mary Claunch sent but the one she sent isn't as clear so I will take the other one and get it copied. I think Col Skinner is dead now but not for sure. I heard from another lady a few months back, or several and she was related to his Stinsons and she sent me a picture of a family but they looked too prosperous to be kin to me!!ha. I have several pictures and I'm really proud of all that everyone has sent.

I wrote Mrs. Spurgeon several times and she sent what she had but a cousin informed us that if we printed anything at all we were in for trouble so I marked on it do not print. I bet he knew something that she wanted to know but had never found out. I had noticed on the 1850 census that his name was James S. Stinson but she had been calling him Jacob S and she didn't mention the name James until the last letter, I think.

Did I send you a list of all the Stinsons in the Confederate army? I guess I have them all.

On the notes you found in the folder of families that belonged to one of Ben's sisters look at those names that it said were brothers & sisters of James Milton Stinson. It is those in that settlement you xeroxed for me from Barbour Co., Ala. It just has to be the same ones. Evidently that Alexander never married as he was mentioning these instead of children. These just have to tie in with Miss Sue's line. Do you have any of her material? I have her direct line but don't have it typed out. Just on paper like she wrote it and on family sheets. I asked her in her last letter if she had anything on brothers of her grandfather, I think but she didn't answer. It says James Milton's mother was a Thompson. Miss Sue's grandfather Archibald Baker Stinson Sr. married Catherine Thompson but no child named James Milton. In her DAR papers she said his sister Nancy married a Leseuere or Lusueur. One place she said Jean Stinson was a daughter of Alexander Stinson Jr father of Archibald B and another she said Jean was a daughter of Gustavius brother of Archibald B and was raised by Archibald after her dad died.

I just checked Conroe, Tex and found it was Montgomery Co and then I looked under it and found James Milton Stinson died 12-17-1939 death certificate #56745. Mary Claunch sent me a list of all Texas deaths 1903-1940 (Index only). Every once in a while I find one that I need. I have not sent for any of the Death certificates and I don't think she has either. Have you seen the index? If not I will send it. Can this really be a brother to the Alexander who died in Barbour Co before 1840??? Didn't it say that this James was dead? My copy is in the truck. Intended to zerox it today for another lady and didn't get a chance. Just went and got it, it says Hannah Stinson Stinson widow of James. Just noticed it mentions another James farther down. Just got back on the other subject I see.

Just checked counties around Montgomery and see Grimes Co and Have you see that 1860 census of Grimes Co?? My thouse Stinsons had the money are were bit fibbers one. One was George Stinson age 74 born in Va val of prop was 50,000-107,500. George Stinson Jr age 36 born Ga \$10,000/26,000. I believe Mary checked the 1870 and not a Stinson there. Mary has sent a lot of Texas information. Have you checked any Texas? Just noticed a James Milton Stinson died in Bexas Co. 3-2-1925 # 9040. 3 George's died in Dallas Co and one in Falls Co. Also a Joseph in Bexas Co. Mary did check a death record in the Hill Co. court house and it gave the birth, of person, names of parents and place of their births.

Those marriages you have in Perry Co., Ala sound like the children of Dudley Stinson. In Wilkes Co. Ga. records it mentions Orphans of Dudley as George, Martha Ann, William Hickerson S. & Cordelia. That is the only other time I have seen the name Hickerson and the Sarah C could be Cordelia.

On the Mobile Burial record; Samuel Stinson, 37, Philadelphia . That is the ^{great} grandfather of Mildred (Murrill)Crabtree 153 Canal St. Mobile, Ala 36602 I think. She said Samuel Stinson b 1814 probably Philadelphia by 1844 census. He married Elizabeth Caroline Hill 12-22-1842 in Mobile, Ala . had a daughter Katherine that married Chas, Murrill in 1864 she was born about 1847 and both died young.

Have you checked for a passenger list of ships that entered Philadelphia? I have never checked any of these.

Guess I'd better close and get ready for bed.

Sincerely,

Edna Stinson

*P.S. I'll send the ala Inf. soon.

He taught in the Madison County Agricultural High School at Camden, Mississippi, for a time and was Principal of the Woodville High School, 1911-1912. May 1, 1913, he opened his law office at Meridian, and soon became so popular that his name was suggested for the State Legislature. He was elected to that body in November, 1915. Mr. Bailey is one of the ablest of the younger members of the Legislature, and a brilliant career lies before him. He is well equipped for the duties of public life, and has already shown much ability in connection with his work upon the following committees: Judiciary; Military Affairs; Municipalities, Corporations, of which last he is Chairman. Mr. Bailey belongs to the Democratic party and to the Methodist Church which he serves in the capacity of Sunday School Superintendent. He is a member of the Masons, the Knights of Pythias, the Junlor Order of United American Mechanics, and the Praetorians. He is as yet unmarried.

WILLIS MONROE TAYLOR of Meridian, (R. F. D. No. 5), Representative from the County of Lauderdale, was born April 20, 1888, at Stinson, Mississippi. He comes of a splendid race of planters and farmers. His father, James Henry Taylor, was born at Stinson, and has always lived there, engaged in the occupation of farming. His grandparents, Marion and Martha Taylor, also passed their entire lives on a farm at Stinson. And his great-grandparents, who came from South Carolina just before the Civil War broke out, had settled at Stinson to engage in the work of farming. Marion Taylor, grandfather of Willis Monroe Taylor, fought as a private soldier in the Confederate Army. Willis Monroe Taylor's mother was, before her marriage, Jane Anderson, daughter of William Shields Anderson and Sarah Elizabeth Anderson, also of Stinson. The Andersons came to Mississippi from Alabama. William Shields Anderson fought in the Civil War as a private in the Confederate ranks. Mr. Taylor received his early education in the Stinson Public Schools where he was prepared for college. During the year 1904-05 he attended Clinton College; and from 1907-08, the A. & M. William H. Stinson a son of John and E. J. (Clark) Stinson, the former who began his life in Ala. in 1825, and a grandson of ~~Ex~~ B urnwell Stinson, was born in Lauderdale Co., Miss, In 1861. Married 1884 to Miss S. E. Etheridge. Mr. Stinson is a Baptist, established Pleasant Hill High School six miles southeast of Meridian, Miss in Lauderdale County.

William B. Stinson, farmer and gardner , Canton, Miss., is a native of Kershaw Co., S. C. Born in 1840 and is the fourth of six children born to William and Martha (George) Stinson, both natives of S. C. The father followed the occupation of a farmer, was very successful in this and died in 1845. The mother died about 1886. The children grew to maturity years and 4 are now living.

Sarah, wife of J. L. Jones of the Palmetto State, Robert S., a farmer of Madison Co., Georgia, died at Pensacola in 1861.

William B . and Annette, wife of R. J. Cunningham, of Texas.

William B. Stinson passed ~~away~~ his boyhood days in his native state and received his education at S. C. College graduating 1860. The following year he enlisted in Co. G. 18th Miss. Infantry. After the war Mr. Stinson settled in Madison Co., Miss. and was married in 1867 to Miss Kate Anderson daughter of Dr. E. A. and Eliza Green Anderson they had 9 children : Edward, William, Kate, Sallie, Mattie, Thomas, Louis, Annette, and Eliza, members of Presbyterian Church.

~~(Kathryn - Agent to Kermit Hansen:~~

Through members of the Stinson family in Mississippi, ~~we were~~ *It was* directed to two brothers, William and Lee Collins, of Hamilton, Monroe Co., Miss. They, through records and recollections, were well acquainted with the facts regarding my grandfather's childhood, civil war service, also dates when he moved to Texas, whom he married and different locations where he lived in Texas. Much of the information I did not have before talking to the Collins, but which I have since verified as being factual. The Collins are positive that my grandfather's mother's first name was Missouri A., but as to whether her maiden name was Collins or Stinson, there

is some question, however, it appears that it must have been Collins based on recorded facts.

In working on this matter, it is easy to understand the confusion as both Stinson and Collins families came to Mississippi at the same time, about 1840, both families settled along the Tombigbee River, near Barton's Ferry. The Collins agree that this Missouri A came to Lowndes County and left for about five years, returning with a child she called Henry Strickland. One Robert Stinson recorded for his daughter that Missouri left Lowndes County and married a man from Tennessee.

It is our belief that Missouri A. later married a Stinson, and could have, before her death, married again. We do know that Aaron Collins left a will of record in Lowndes County, Miss., excluding all of his children but Missouri A. and that he left all of his property, which at her death was to go to a child or children of her body. While we were unable to find a probate of his will, we do know that as late as 1929, the before mentioned Robert Stinson, son of Missouri A. Collin's sister, tried to secure property left to Missouri A. but could not, according to the Collins family, because of this Henry Strickland.

Walnut, Miss
March 27, 1957

Dear Mrs. Palmer:

In reply to your letter concerning the Stinson family. I do not know very much about them. I am sending your letter on to Lillian Stinson Wray, 819 So. Flowers St., Los Angeles, Calif. She is my husband's half sister and can tell you more than anyone else I know. I believe she will write to you as she likes to hear from any of her relatives. My husband's name was Edward Pitt, he was named after a friend of his fathers'. The Pitt was his father's friend's name and his father liked the name, so he named him that. The Pitt has no meaning that we know of, other than being the name of Mr. Stinson's friend.

My husband did think that they were not related to Eddie Stinson, or Robert Stinson of Columbus. A Stinson girl went to the same school (MSCW) in Columbus, as one of our daughters went to, and my husband said they were no kin to him, that he knew of. My husband's mother (she was his father's second wife) was Ada Mohundra. My husband's brothers (half brothers and sisters I mean) are dead except Lillian Wray and John Stinson, who lives in New York. My husband has two brothers, named Jim and Earl. Jim (J. J. as he signs) lives in New Orleans, La., Earl lives in Memphis. My husband's father's name was William Robert Stinson. His last sister, Aunt Mollie Shapply, died last summer.

Mrs. Naomi Leath, Marks, Miss., is Aunt Mollie's daughter. ~~She~~ You could write to her, she could give you some information probably on the family, probably. My husband was born in Corinth and his father died when the boys were young, and his mother moved back to her home ~~state~~ here ~~and~~ west of Walnut and lived here. My husband lived here all of his life.

Summary of J.P.

SUMMARY REPORT: THE WILSON STRICKLAND - AARON COLLINS
CASE

June 30, 1969

In 1829 Wilson Strickland left Mississippi and went to Texas, at which time he enlisted in The Texas Rangers, a military organization. He served in this capacity for a period of six months and received an honorable discharge. Upon his discharge from this service, he was given somewhere in the range of 1460 acres of land in return for his services as a Texas Ranger. He also had the privilege of selecting this land anywhere in Texas that he desired. He chose what is now known as The Conroe Oil Field.

As the records in the court house in Conroe, Texas will reveal - there is \$239 Million Dollars in escroe, being held for the proper and rightful Strickland heirs.

Mrs. Kathryn Kagen of Houston, Texas is one of the aforementioned heirs. She, along with the other heirs has signed a contract with The Shelton Corporation agreeing to give up one-half interest in the case in return for all efforts and pursuance on our part, resulting in recovery of said property. Mrs. Kagen informed me that she was working for Humble Oil Company in the Houston office, and one of the Land-Men approached her with the suggestion that if she would get someone to handle and investigate the Aaron Collins land and property in Mississippi - that the real truth would be revealed, and that she and the other rightful heirs would be entitled to receive the vast amount of money now being held in escroe, and that Humble Oil Company would be more than glad to have the matter settled.

I, J. Paul Shelton, have in my possession at this time, documents tying the Stricklands, Stinsons, and Collins all together. I also have a copy of the actual will that Aaron Collins made to Missouri Collins giving her all of his Mississippi property. Missouri Collins is Aaron Collins' daughter; also the mother of Henry Strickland. Her last marriage was to a Robert Stinson.

*Not to Kathryn
Told to me by George Brown
J. Paul Shelton*

*in the office of the attorney
in the Conroe, Texas office*

I also have signatures of all interested parties of tricklands, Stinsons, and Collins on my contract.

I have, on this date, secured permission with William (Bill) Collins to set him up as Administrator of the Aaron Collins will. He is the grandson of Aaron Collins. Our attorney, Rufus Broome, Jackson, Mississippi, was with me in Lowndes County, Mississippi on Wednesday June 25th, this year, and we located quite a large amount of property which is affected by this will. Mr. Broome suggested that I acquire William (Bill) Collins as Administrator. This I did, on this date.

I have spent more than eight weeks on an extensive investigation into this matter and I strongly feel that we have much more than a 75 per cent chance of recovery on both these cases. In fact, right now it looks 100 per cent in our favor. We are preparing papers at this time to file on the Mississippi property first - following suggestions of the representative of Humble Oil Office in Houston, who desires to remain anonymous.

This case is even greater in value than I anticipated when I first began the investigation. I strongly urge and recommend that The Shelton Corporation and all others involved, proceed with this endeavor with every human resource, and make every effort possible to bring this matter before the courts as soon as possible.

Respectfully submitted,

J. Paul Shelton

MRS. ULERY STINSON

1015 South Main Street
COLUMBIA, TENNESSEE 38401

August 6, 1976

Dear Jean:

Maybe at last I will get your letter answered. I am feeling much better now and have been trying to copy all I had on N. Car to send before I started this letter.

I sneaked to the garden yesterday and pulled a few weeds and tried to brake some of the weeds from around my beans. Ulery has forsaken it since I have been down. I was scared to death I would be hurting again this morning but so far I feel pretty good. Every time I try to do something it hurts again and I have been typing the N. Car. information and doing only what I had to do this week in hopes of getting that leg well. I'm getting disgusted with myself. Hope you are O.K.

Yes I have a zerox copy of the information from the book "Brooks of Honey and Butter". Too bad more of the Stinsons didn't leave nice records like that. I think lots just weren't industrious enough to do anything. ha Guess there were some like that in every family.

From those Putnam Co., Marriage, one married an Edmondson. That strikes a bell, but I can't find it. I am almost sure I have someone that wanted some information on an Edmondson. This is all I have from Putnam Co., Ga.

William Stinson, born, 1762 N. Car died 26 Aug. 1806 in Putnam Co., Ga. married Catherine Wimberly, born 1762 N. Car. died 23 July 1815 Putnam Co., Ga. This is from Mrs Elizabeth L. Shepley 212 Dyer West Palm Beach, Fla. 33405. (I can't remember if heard from her or not) I used to file the letters but got behind in filing the information in the letters so haven't filed any in several years. I am going to try to do that soon. More Putnam Co. Ga

Michael Stinson mentioned in Deed 4-1814 as having a title executed to him by Robert White. Last will & Testament of Patience Edmondson: names he Daughter, Mary Stenson date, May 23, 1826 Proven, Oct 30 1826 Other children; dau md. Clements; dau md McLeary. Grnaddauther; Martha Ann Matilda Stinson. Martha A. M. Stinson of Putan Co., Ga. in the 1832 Land Lottery drew land in Cherokee Co., Ga. (Does this mean her dad was a Rev. Soldier?) One lady said her George did or his children drew land I think and I have never found a record of his service.

Now to do some guessing. It seems this name Michael comes from Mecklenburg Co., N. C and in the Steel Creek Grave Yard there Michael Stinson's wife was Hannah and it looks to me like this William is the husband of this Catherine and they had a son Michael and I bet the Hannah and Christine are daughters and these families always seemed to name a daughter and son the same names as the parents. You might write Mrs. Shepley if you wish she might have lots more by now and I will see if I can find her letter sometime if I ever get caught up on my letter answering.

Just noticed the 1820 index to Census has John, Michael Sr. & Michael Jr. in Putnam Co Ga. I have not read this census. Also noticed Porter L. there. The 1840 census index had Michael Stinson in Early Co. Also James there I have not checked any Early co. In looking at the names in the index of the counties that surround Putnam Co they all look like thay might be kin. Do you have a copy of the Handy Book ? That is the handiest and the best value I have bought. I look at is about everytime I get a letter or start doing any genealogy.

Mr Troy Young Collins 2104 Fairmont Ave. Ft. Worth, Tex. 76110 sent me the marriage for Elizabeth Stinson & Aaron Collins & I also got it our of the Ga Gen Magazine.

I just checked his letter and he cross-indexes his records and said as far as he knew this Collins wasn't any kin of his but was nice and sent it to me. He might have something to help you.

Guess you already have the 1860 Grimes Co , Census by now. If not let me know I have it. It is something else!! But I did not have the Thomas M. Stinson you sent. Odd. I do have a lot of Texas census as Mary Claunch had done a lot of it. She & another lady have just finished doing a county forgot which one, and hope to have it printed soon. Mary's address is. Mrs J. E. Claunch 5901 Clovis Court Ft. Worth, Tex. 76148. Ft. Worth took them in several years ago and when they moved there she said it was almost like in the country. Only a few people.

I think all the Stinsons who left Va to N. Car. S. Car., then west are related. Miss Sue Stinson & the book of Col. Skinner seems to think so also. I also think they are related to Elijah B. Stinson, but he is the only one that I can find a Rev. Record for. Miss Sue got into the DAR on Alexander Stinson, Jr. from helping the cause by furnishing Beef to United States to help the cause. And one lady who got into the DAR from Indiana said Elijah and his 6 brothers fought for the cause. We cannot find even one. Just noticed a book advertised that listed names of people who served but otherwise not mentioned. If the Gen. Publishing Co in Baltimore orders some more of our books I might swap again(if I don't forget to tell Ulery.) I swapped some earlier and they said they would be glad to anytime I wanted to but the last ones I got didn't have a Stinson at all so they said the next time they would even check the index for me. That was nice. So I hope I can get some of those new ones they have just listed. If I make too many errors please forgive me as I am not re-reading this, also my .. does not print half of the time.

Ronnie is out of School now and has started helping his dad at the shop. He doesn't want to go to college, he says. He and his girl friend have made up after several months of catty remarks at one another and she has another year of school and then her parents are probably hoping she will go to college. If so I think Ronnie might also. Guess he is just as well off if he likes printing. We do make a living and that is a lot to be thankful for these days. Ulery had hoped he might want to find something easier, but I guess anything is had once you get into it. We all go in too fast a race instead of enjoying each day as we should. My sound like I'm preaching!!

Are the Stinson's you know a big tease? Ulery is and Mary says her brother is. Ulery had rather tease than eat and he like me sure likes to eat. ha.

Something happened to Ulery's dogs and some of Ronnie's beagles also. We don't know if someone shot them or poisoned them. One came back some and swelled up and died and the rest didn't come back after he had turned them out. He had a female borrowed now and hopes to raise some more puppies. He was fit to be tied last night as the only beagle we had left crawled into the pen with her. I told him I tried to get him the night before to go on and take her where he wanted her to be. No she wasn't ready, he said. Last night she was!! He bought several after he lost the others but they wouldn't run anything so he got rid of them. He is lost if he can't go fox hunting once in a while. Like every week end. He says it relaxes him. I realize now it also gave me a chance to write more letters. I hate to sit in here if he is in the den listening to the radio.

Thanks a lot for all the N. Car & Ga. information. Look at the Burwell to Patsy James in Oglethorpe Co., Ga. I received a letter from a descendent of Burwell just lately and she said Burwell married Martha Jones. Isn't Patsy the nickname for Martha? The James could very easily be Jones or vice-versa. I got a letter off to her this week and asked if she had any on Burwell's son Joseph that she only mentioned. I bet he is kin to yours also. Burwell was mentioned in the Miss. Memoirs by Goodspeed but I did not know his children until I heard from her and there you had sent me the marriages from Clarke Co., Ala. She only told the last name of some of the girls so I knew they were the same ones. She said Winnie Boswell, Elizabeth McClure, Sallie, Martha, Dicy Moore, Elijah Y., Joseph, John were children of Burwell & Martha (Jones) Stinson. You had also sent me the cemetery record for Burwell. She offered to send some Cemetery pictures so I've asked her if they are of the grave of Burwell. Hope to hear from her

There was something else I was thinging of before I started writing this. Think if was; Are you very fimiliar with the migration routes the Settlers took from Va to N. Car., S. Car. Ga. Ala. La Miss. Texas? I am not. They might help a lot. One lady told Mary something about one trail that left Tenn. to Mo & Texas (I think).

I forgot of all those Stinsons on the 1860 Grimes Co., Texas Census I think Mary said none were there in 1870. Evidently the war broke them.

The Lewis in Overton Co., Tenn. is Lewis C. I think. not G. I am sure this is Lewis Cobb Stinson son of Elijah B. Stinson & Rachel Cobb. One of the family sheets (Stinson) from Utah said Lewis Jackson Stinson, son of Lewis C. & Sarah was born in Overton Co., Tenn. in 1829. Sallie Sullins & Lewis C. Stinson married in Wayne Co., Ky in 1812. He was a Baptist Preacher the re and his brother Benone started the resent day General Baptist Church, his brother John B. (Mary's ancestor) was a preacher some also. This is the only proven child of Lewis Cobb Stinson but think our Henry L and Mary's John W. Green Stinson might be his sons also. Lewis Cobb died in Vanderburgh Co., Ind before 1850 census. Most of Elijah's children ended up in Vanderburgh Co., Ind. All I had in Burke Co., Ga. was William Stinson not Lewis. I had William on 1804 & 1805 Land Lottery and as tax defaulter for year 1790.

Hope you had a nice vacation. Ours was nice. When we got to Medford, Oregon, Ronnie was ready to head home. We had a friend of his with us also so we took them on to the Pacific ocean then down to Fresno, Calif and headed home on I-40. I did just fine I would stretch out over the seat part of the time. We had planned to go on down to El Paso & Jarex, Mex. just so they could say they had been in Mexico, and then we were to stay one night at Mary's and the next I had planned a few hours with Miss Sue Stinson in West Monroe, La. but the only thing I got on Stinsons was the names I copied out of the phone books along the way. We called a cousin in Texarkana, Tex. this week and she has promised to take us to the other cousins the Labor-Day weekend so we hope to get all of that bunch then. Ulery's great grandfather's oldest son moved to Maude, Tex and raised his family there and we have come to two reunions (Sunday after July 4th each year) and the last time I started a sheet on each child of his and gave it to one of the descendent and everyone promised faithfully to send them to me. I have not received a single sheet. Ulery said he wanted me to hurry and throw this together and get it into a book. Most say once I get it out there will probably be more to write then and send additional information. Sure hope so. So if you like you could word your as you would like it to be or I can. I will try to start with the oldest one of each group and give all I can till the Stinsons run out. Don't remember if I have asked if you have a picture of Preston & wife, or not. I am trying to get some pictures of the Stinsons. Or maybe you have one of some of his children. Anyway Ulery said I could put them in. I think they will make the book more interesting. Also if you have any stories of tradition that you think int-
eresting could include them.

I'll close for now and if I think of anything will try to make notes when i copy the Ga information and file it.

Lately I have started trying to do family sheets on each group to see if this might help more. Then hope to pype it out in book form.

Sincerely,

Edna Stinson

Andrew Stinson 1779 (David, John, Andrew, Margaret, Sarah, Martha, Alexander, Mary,) he appointed Alexander Stuart, John Woods, & John Wily the sole executors of his will. (I have a copy of this will but could not read the witness who witnessed the will. Also Sarah dim. I do have quiet a bit on the descendents of these children, mostly the boys. Alexander is the one who came to Giles Co., Tenn by 1820. In the court records for 1779 the children were listed as Stevenson's and Andrew age 13 was bound to Wm Cry; David age 15 to Robt McDowel Martha age 8 to Alex^r Stewart (weaver); (Wm Cry the Fuller's trade)(Robt McDowell Wright Trad John age 11 to Joseph Reed (weaver)! Mary bound to Sarah Stevenson to learn Spinster's trade. Alexander age 4 to David Stewart (weaver) Evidently Sarah, & Margaret were the oldest. In his will he listed Margatet then Sarah. Those marriages you have in Tyron & Lincoln countie are part of these.

Union Co., N. Car. (territory between Rocky River & Catawba River) and also part of Lancaster Co., S. Car. This section located 25 or 30 miles from Charlotte, N. Car. Just after the Rev. War many immigrants came unto and became residents of Union Co., from these have descended many present inhabitants of the county, some of whom are: Andrew Stinson, Moses Paxton, etc. Many were Scotch-Irish and came from Lancaster, Penn. A famous nurse was Ester Gaston, age about 18 years.

((I Edna should have copied more of these names as the name Paxton is mixed with the Bradleys & Stinson, Sawyers of Meclkenburg Co and Gaston I think is named in the book about the Stevensons, Stinsons of Col Martin to S. Car from Ireland.)

STINSON

In December 1978, Ben Strickland visited Euriah Stinson, Georgiana Route, Butler County, AL. He is 95 years old and still active. Wife still living. He had a son Preston. He did not remember why he named his son Preston. (Son's name Henry Preston Stinson). Father was Henry Stinson and his mother was an Osburn. Grandfather was Joseph Stinson, who was a brother of Ruben & Lee Stinson. They were all born in Conecuh County, AL. His father's brothers were Jim who went to Mississippi and Louisiana. Pomp who lived at Frisco City, AL and who has a son who lives in Pensacola, FL. He told a story that all the Stinsons did not come from Georgia to Alabama at the same time. Some of the family arriving later were looking for Reuben. They arrived where a large group of people were camping in Alabama. They heard someone crow like a Rooster and one of them said "There's Ruben".

The same day Ben went on to the small community of Awim in Wilcox County, AL near Pineapple to visit Artur Stinson. He was not as old as Euriah. Arthur is Euriah's cousin. The father of Arthur Stinson was Ruben Stinson who married a Collins. He said he had some first cousins living down the road whose name was Collins. Grandfather was George Stinson who married Caroline Bird. Has a daughter Nell S. Smith who lives in Mobile, AL and works for the Welfare Department.

There were many Stinsons in the community. Ben had previously visited one in Frisco City, but the man was not at home. The daughter in law said they did not know anything about the family.

STINSON - KIKER - Mrs. Winona Stinson Spurgeon, 99 West Billings, Pittsburg, Kansas 66762 asks data on ggf who stated he came from Tennessee. He was JACOB S. STINSON, b. 1-21-1849. "He was in trouble as a young man and left Tennessee. Trouble not known and all of his children have since passed away. He did write to a person in Tennessee by the name of MARGARET KIKER, relationship not known, but thought to be either his sister or aunt."

This man appeared in the 1850 census of Pettis Co., Mo. where he was listed as JAMES S. STINSON, with wife ATTRA J. STINSON.

The 1850 census of Stewart Co., Tenn. shows a child named Jacob Stinson, his age is a year off, but tradition held that Jacob's mother was named ELIZABETH, and there is an Elizabeth Stinson listed as head of this family.

EDITOR'S NOTE: Jacob would have been young, but possibly saw military service in Tennessee during the Civil War. You might get a lead on this from the Tennessee State Archives, Nashville, Tenn.

There were also reminiscences collected of persons who lived during the Civil War period, and written about 1900. These are included in manuscripts there at Tenn. Archives. You might ask if there is a reminiscence of Elizabeth Stinson, James S. or Jacob S. Stinson, or of Margaret Kiker.

JARRELL - Mr. Robert J. Reynolds, 8302 McClelland Place, Alexandria, Va. 22309 asks assistance in determining the parentage and birthplace of JAMES S. JARRELL, b. 1-12-1783, will probated in Clarke Co., Ga. was signed 8-26-1835 and proved 11-26-1835.

He married MARTHA (LOCKLIN) GRIFFITH b. 11-24-1777 the widow of her cousin JOHN GRIFFITH by whom she had several children. Her parents were WILLIAM LOCKLIN and NANCY STINSON.

James S. Jarrell appears to be living in Madison Co., Ga. in 1808 because his son STINSON SMITH JARRELL was b. there 10-6-1808. Any information will be appreciated.

EDITOR'S NOTE: There was no Madison County til December 1812, so Stinson S. Jarrell would have to be born in some portion which was later cut off to form Madison. Clarke lost a portion, and this might account for the discrepancy.

Clarke County tax digests are virtually complete and begin with 1802. I filmed 1802-5, 1810 and some of the early court records last week. There are many more. As I wrote last week in PUZZLERS, Clarke County has all its original walls, and all its loose estate papers.

EXPLANATION OF ORDER FOR RECORDS
IN THE TEXAS STATE ARCHIVES

Use this form to request records of Texas veterans. Photocopies of records found will be sent. These records include:

Muster Roll Abstract Record. The muster roll record contains a brief service record abstracted from the rolls in the State Archives.

Confederate Audited Military Claim. Claims for payment for military and military-related service in the Texas State Troops, and for supplies, munitions, and monies furnished for the support of the military, were submitted for approval to the Comptroller. These records usually indicate term and type of service, company served in and commanding officer, and types and amounts of supplies, munitions, or monies provided.

Confederate Pension Application. Pensions were provided indigent Confederate veterans living in Texas after 1900, regardless of the state from which they served during the war.

Widow's Confederate Pension Application. Pensions were provided indigent Confederate veterans' widows living in Texas after 1900.

Ranger Records. Ranger records are based on service during the Republic of Texas and for service in the Frontier Battalion, Special Forces, and other ranger units from about 1845-1900. They may give date of birth, residence, physical description, and military service information but generally no other biographical information. Ranger records in the State Archives are not complete.

Republic of Texas Records. These records show civil and military service to the Republic of Texas, loans made to the government, supplies furnished, and other matters. They include applications for pensions and other claims against the Republic of Texas.

For additional Confederate records, records of Texans in U.S. wars, and Ranger pension applications to the U.S. government for Indian service contact the National Archives, Washington, D.C. 20408.

For land records contact the General Land Office, 17th & North Congress, Austin, Texas 78711.

When I had another opportunity to talk with Mr. Stinson, the ambulance left to pick up a wreck. I had to hurry.

Mr. Stinson's father, Louis, had brothers named Saul, John (went to Liberty, Texas 50 years ago as a young man), and Ben (Richtown). He had sisters named Rebecca "Becky" who first married a Strickland and second a Williams and Jane. He did not know Jane's husband.

He said, "Old man Preston Stinson and Martha were my grandparents. I don't know who Martha was before she married."

When I had to leave, he said his wife could help me more. He also said that a girl came to see them who knew all about the Stinsons and Stricklands. Was it you?

Alabama Census Returns 1820

and an abstract of Federal Census of Alabama 1830. Contains the first census records of Alabama for the counties of Baldwin, Conecuh, Dallas, Franklin, Limestone, St. Clair, Shelby, and Wilcox. About 4000 heads of families are listed in tabulated form, with information as to the number of persons in each family, their sex, approximate ages, etc. arranged by counties. The 1820 Census for the State of Alabama was destroyed by fire, but the above counties were on file in the State Archives.
